ABOUT

Hey there I'm Alex, I'm from Ukraine, I'm trainee but highly motivated developer and a keen interest in creating high-quality, optimized, user-friendly, and accessible web applications and websites. Also, I am keen on writing clean, and maintainable code and finding performance solutions. I have knowledge of JavaScript, React.JS, HTML/CSS stack. Moreover, I am well organized and capable to adapt to working as part of a team. I am a quick learner and develop my skills every day.

SKILLS

HTML5/CSS3, SASS/SCSS, BEM/OOCSS, Bootstrap, JavaScript (ES7), React.js, SPA, npm, GSAP, Gulp, Webpack, Git, Trello,
